ABOUT US

Anil Chavda & Associates is a full service Architectural Firm, skilled in designing unique environments for living, learning, work and recreation with a global presence of over 2 decades.

We are involved in several projects in West and South Asia spanning sectors like Hospitality, Industrial, Banking and Commerce, Mixed-Use, Educational, Institutional Buildings, Residential Developments, Brand Building and Infrastructure Planning.

ACA has been a part of International projects in countries like Hong Kong and Bahrain. We also have a presence in Sri Lanka owing to the ongoing Hospitality and Private Villa Projects.

At ACA, we aspire to develop all designs, with the foresight to anticipate practical challenges and the discipline to provide a functional response. Our design process is backed with extensive industry experience to execute each artistic vision. We are constantly striving to improve our existing processes, to provide better service to our clients.

ANIL CHAVDA

Arch. Anil Chavda, the Founder and Principal, is an alumni of the esteemed J.J School of Architecture (Mumbai), having graduated as an Architect in the year 1980.

Early on, in his career he was involved in various projects in the exhibition design sector, after which he steadily moved into various other sectors and set up his full time practice in Mumbai in the year 1985.

Thereafter, he founded and consistently fuelled the growth of Anil Chavda & Associates, which has now become a much respected and sought after practice.

His commitment to the firm and its clients is evident through his accessibility and strong leadership, which had resulted in long lasting relationships with clients and his staff alike.
